“The US leads the world in people who think climate science is fake, but pro wrestling is real.”

John Fugelsang
Actor & Comedian
“We are the first generation to feel the impact of climate change and the last generation that can do something about it.”
“Unless we take action on climate change, future generations will be roasted, toasted, fried and grilled.”

Christine Lagarde
Managing Director
International Monetary Fund
“No problem can be solved from the same level of consciousness that created it.”

The wisdom of indigenous traditions is of particular significance as we begin to re-learn how to live in communion with, rather than in dominance over, the natural world...

Embodying Aloha ‘Āina globally will help address the tremendous environmental challenges we face.

PILLARS of PEACE
HAWAIʻI
Building Peace on a Foundation of Aloha
The Brundtland Report

Highlighted how growth rates in both developing and industrialized nations would prove to be unsustainable.

1987
“Since climate change and the global economy now affect us all, we have to develop a sense of the oneness of humanity.”

- @DalaiLama
The world will turn to Hawai‘i as they search for world peace because Hawai‘i has the key... and that key is aloha.
